### Interests

- Working Remotely
- 

Highly motivated and adaptable recent graduate with a diploma in ICT looking for a job in IT. Eager to and work hard. I'm willing to contribute however I can in a professional setting and committed to continuous growth and excited to apply myself to help drive success in dynamic IT environment. I strive to constantly improve as a problem solver and working under pressure.

### » Education

- University of Mpumalanga  
Diploma in information communication technology in applications development 2024

### » Work Experience

Just started my experience journey with Capaciti.

### Achievements and Key Projects

- » Worked on a Gym application at university. Had to work with people from different parts of the country which means different languages, culture along with other barriers to achieve this goal.
